Here is what
Jean had to say about
learning to live Juicy!

Contest winner Jean (left) and the sister who inspires her, Lily.

"Certainly the Juiciest person I know is my sister Lily. She is my hero, my inspiration. Lily makes being happy look easy..."

"Lily was born 38 years ago with cerebral palsy. It affected the right side of her body. When she was a baby, the doctors said that she would never stand unassisted. Lily pulled herself up in her crib with her left arm. They said she would never walk. She walked, and ran too. Lily's whole life has been about what she can do, not what she can't do."

"Lily has taught me to be brave, to be positive, to be active, to stay connected to people, and to have fun. Life is about the choices you make, and Lily's example of choosing to say "yes" to life inspires me to be my very Juiciest self!"
