# The Fall Classic

The Sea Cliff - Glen Head Lions Club proudly presents the Fall Classic XI Honoring Lion Michael Jordan. Created in 2000 by Edward L. Lieberman, Esq. and Rickey Borer, the Fall Classic has developed into a Major Fund-Raising Event benefiting many local charities. This year's Honoree, Lion Michael Jordan has been a member of the Rockville Centre Lions Club since 1998.

Lion Michael Jordan is a Zone Chair and Past President of the Rockville Centre Lions Club as well as a past member of the Lions Diabetes Education Board. Among his many accomplishments Michael served as Chairman of the District Diabetes Awareness Walk; has served

on the District's Leos Club Committee for young adults: and has chaired his club's Rubber Duck Race and Fall Family Festival.

When he is not promoting Lionism, Michael manages, and is a co-owner of Jordan's Lobster Farm in Island Park, NY.

Michael's charming and energetic wife Maureen also shares his passion for Lionism. Maureen is currently the District Treasurer. Both Michael and Maureen are Melvin Jones Fellows, the highest award given by the Lions Clubs International Foundation.

His charity for this year's Fall Classic XI is fighting hunger and homelessness. Proceeds will go to Human Concerns and other charities to achieve his objective.

The Sea Cliff - Glen Head Lions Club received its charter in 1983 and thus became a member of the International Association of Lions Clubs.

Started in 1917 in Chicago, Lions International has grown to over 46,000 clubs and includes 1.36 million men and woman in over 200 countries and geographic areas, and is the world's largest service club organization. The Lions mission statement is "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."
